# TRACK CO-ORDINATOR'S GUIDE

## 1.1 Track Co-ordinator

As a Track Co-ordinator you are able to propose the acceptance or rejection of abstracts within your track. Your are given the Track Co-ordinator's access by the Conference Manager.

You can access your tracks by selecting *My tracks* or *Manage my tracks* from the conference homepage menu under *My conference* or *Scientific Programme*. This will take you to the list of tracks you are co-ordinating or straight into your track if you co-ordinate only one track.

## 1.2 Track Co-ordinating

Once in the My tracks area you can click on *Edit* to the right of the track name to access the co-ordination area of that track.

If you click on an abstract's name you will be taken to the Abstract's Management area. From here you can view the abstract's details and propose whether you want to accept, reject, mark as duplicated, or suggest the abstract for another track.

## Main Tab

This is where you can modify the main details of the abstract, and also see some information as for instance submitter, status, etc. It is also from here where a track coordinator can propose the abstract to be accepted, rejected, for another track and mark as duplicated (see next image).
