# **PAPER REVIEWING MODULE - REFEREE'S GUIDE**

## **1.1 Getting started**

As a referee, your responsibilities are to assign contributions to the reviewers and to give the final judgement for all of the contributions you have been assigned to. You may log in the system and you will find in the left menu two links under My Conference, Assign Contributions and Referee Area.

## 1.2 Assigning Contributions to the Reviewers

You can assign more than one contribution to the same Reviewers by selecting them using the check boxes. Depending on the chosen reviewing mode (Content reviewing or Content and layout reviewing) you need to assign different kinds of reviewers.

## 1.3 Referee Area

When you access the Referee Area you will find a list of all the contributions that are assign to you for judgment. You can follow

- if the author of the contribution has submitted the mateials for reviewing
- the state for every contribution, if it is judged by the Content Reviewers or by the Layout Re-viewer, or by both.

Paper Reviewing		
Assign Contributions   Judge as Referee		
Contributions to judge as Referee		
Id Title State		
0	<span style="color: red;">new 1</span>	Not judged yet Pending layout reviewer decision Content judged by REVIEWER2, pepi as: Accept
1	<span style="color: blue;">new 2</span>	Not judged yet Layout judged by EDITOR3, nick as: Reject Content judged by ANGELOVA, Csvetelina as: Reject

Your responsibility as Referee will be to give the **final judgment** for the contribution: to be corrected, rejected, accepted or one of the customized statues added by the Managers. Accessing again the reviewing area (by clicking on the contribution's title) you will be able to see the judgments and the opinions of the layout and the content given by the reviewing team.

In order to submit your final judgment click on **Send** button. The authors of the contribution will receive automatically generated e-mail notification containing your comments and judgment, if the Managers of the Paper Reviewing set this option.
