# CONTRIBUTION MANAGER'S GUIDE

## 1.1 Contribution Manager

The Contribution Manager is responsible for managing the information in a contribution. You are given contribution management access by either the Conference Manager, Session Manager, the existing Contribution Manager and possibly the Session Co-ordinator.

You can access your contribution by selecting *Timetable* from the menu in the event home page and finding your contribution. If you are the manager of that contribution you will see a pencil button. This will take you to your contribution management area.

---

## 1.2 Contribution Management

Once in the contribution management area you can start managing your contribution using the following tabs.

This is just a quick start guide for contribution management, for an in-depth explanation please see Contributions in the Indico User Guide.
