# SUBMITTER'S GUIDE

## 1.1 Submitter

The Submitter is able to submit material for a contribution. You are given Submitter access by either the Conference Manager, Session Manager, Contribution Manager or possibly the Session Co-ordinator.

You can access the contributions for which you can submit material by selecting *My contributions* from the menu in the event homepage. This will take you to your submission area and will list the contributions for which you can submit material.

To submit material, click on *Edit Files*. A popup will appear, where the attached files can be seen.

By clicking on *Add Material* link a new popup will appear from which you can choose the material type (slides, video etc.) and upload it. You also need to set the protection level, (see *access\_control*), and you can add a description and display name. If you set the material to be private, a *Protection* tab will appear, where you can add users or groups that are allowed to access your material, set the visibility (hidden, visible) and if you wish, set an access key.

Up You can specify users using this tab
